I was sorry to hear about Jack and a good friend; he was such a good friend to my whole family. I lived on 1819 Claiborne street. I transferred to Marshall Space Flight Center in Alabama in October of 1994 and I live in Decatur, Al about 20 miles from my work. From time to time I would asked my kids if they ever saw Mr. Jack. They would see him and he was doing find. My youngest son Jimmy Sexton saw Jack over at Melvin's across the street after his wife passed away. Mr. Jack would asked every now and then "did you see a plane fly low over my house, it was his Son Roy from Longview, Texas. Jack would asked me do you know where Longview, Texas is located. I told jack I was raised 20 miles from Longview, in Carthage, Texas. I am sorry I was not able to come to the funneral, and Jack will be missed, he was such a good friend. Billy Sexton
