It's hard to believe that you've been gone over 3 yrs now and while we miss you more each day, you have so many loved ones that have joined you and I know you are rejoicing! Your sissy missed you and everyone else so much, I cannot begin to imagine the reunion that you two had! Being left here w/o both of you is proving to be difficult to say the least, but one day, I know that God is going to bring us all back together again! Until then, keep loving and praising God and we'll see you in His time!
