Dear Annette, May God Bless You and Yours All the Days of your Lives! My condolences to you and your family. Although you may not recall who I am - I lived in Port Sulphur and was married to Tim Harrington from Abbeville, LA. I was born in Kaplan. I now live in Belle Chasse and re-married. About 6 years ago I had a bone marrow transplant (cancer)but am stable now. Sorry for your loss to this disease. I hope "sulphur" doesn't have anything to do with it. We both worked at Freeport Sulphur Company and were acquaintances of Don's. Take care and God Bless and Keep You . Once again, I bow my head down in silence to remember you and yours.

I'm glad I had the chance to meet Don several years ago. It was brief but I carried away a strong impression of someone I would best describe as simply a "good guy".
