Dear Warren, Brian, Michael & Skipper, We're very sad to hear about the passing of your beloved mother, Warrene. Upon hearing of her death, Mom, Dad, and I sat down and shared our memories of her and your Father. We laughed and cried when we remembered all the holidays and "get-togethers" we once shared so many, many years ago! We are no longer able to be with her in this world, but realize she is now at rest with your Father and our Lord. We pray that her passing was peaceful and are keeping all of you in our thoughts and prayers. We're so very sorry that our health doesn't allow us to be there with you today. It's heartbreaking to think about all the years that have passed since we've done something together as a family. Once we were close, but through the years we drifted apart. But know that we love all of you and are keeping you in our hearts! Please keep in touch. Much Love Always, Aunt Jeannette, Uncle John & Sheila
