I wish to express my sympathy to the Pendelton family. I did not know Mrs. Pendelton but flew many times with "Bunny" back in the old MSY days. We had a lot of good times. Sincerely, Aubrey Hair MD-11 Capt DAL retired.

I'm so sorry. She was such a sweet lady. When I used to fly co-pilot with your dad years ago and came by their home, she was always so nice. She and Bunny are finally together again.

Raliegh, Melissa, and Regan--What wonderful memories we have of our two fabulous mothers called "Lady"! I am so glad I visited Shirley last spring. Of course she showed me her wall of pictures...one of Melissa and me; she pointed to it and said she didn't know those girls! Much love to all of you. Suellen
