My Dearest Cay: I cannot imagine my life without you. We have been friends for over 40 years and shared family memories that I will hold in my heart during this most difficult loss. You were a wonderful Christian lady, who showed love and compassion to all those who knew you. A great cook, seamstress and nurse--you truly did it all!!!Heaven is a much happier place since you are now resting in the arms of God. Thank you and your precious family for all the wonderful times we shared. Forever in my heart, Martha G. Cantrell

I was a nursing student of Mrs. Perry's in 1987 during the emergency room clinical rotation. She was my inspiration to become a nurse educator; always kind, positive and encouraging to all of her students. I will remember her always as one of my role models. Please accept my condolences.
