Uncle Curtis, Deanna, Michelle, Doug, Greg and Vanessa: I am so sorry for the loss of a wonderful wife, mother, grandmother, sister, aunt, and friend. I will always remember her smile and genuine love of you all. Jesus gained an angel and her time of pain here on earth is over. I pray daily that in time the grace of God will allow you to remember the many years of joy and love she brought to you all and that your pain of loss will deminish. I can still remember riding down the river road as a young teenager with Aunt Cindy, windows rolled down, radio blaring and singing as if we hadn't a care in the world. I think I will keep that vision close as I can almost see her now with a few angels in tow.
