To the Lorch and Piwko Family: We are so sorry to hear about the loss of your precious daughter, Carol. Although we did not know her good, she always had a "smile" on her face when we seen her in church. I remember her with her two sons sitting in front of us one Sunday. I know you will keep all of her good memories with you for the rest of your life, and will be able to tell her sons. She is in the arms of Jesus! She is at peace!

Dr. Lorch, Mrs. Mary, Beth, and Kitty,On behalf of the children of Lou and Jean Bonnaffons, I extend our deepest sympathy to all of you. This is indeed a loss for the entire New Orleans East and Resurrection of Our Lord family. The "Lorch girls" were part of all of our extended families and you, Dr. Lorch, took such great care of all of us as the chosen pediatrician for many of us in that community. Mrs. Mary, the sacrifices made by you and your girls so that Dr. Lorch could give all of his patients his full attention and impeccable care, did not go unnoticed. With parents such as you two, it would be virtually impossible for any of your daughters to not have grown up to be loving, generous, and selfless women.I will forever remember Carol as a smiling and fun-loving person to be around. She laughed freely and had the most amazing spirit. Being around Carol, one could not help but smile and get caught up in her zest for life and acceptance of everyone. Your family's loss is truly ours as well. She is now free from the pain that wracked her body; and, her soul and spirit can continue on as a guardian angel for all of you and her sons. She touched so many lives and her time here on earth is indeed a legacy for us to treasure.God bless.

I still remember hiding in the bathroom and laughing with her during a jailbreak game because no one could find us because we were outside the boundaries. Sitting inside was not part of the game.
