To the family of Mrs. Esther Poncet, what a wonderful and incredible soul! My world would have never been complete had I not had the pleasure of meeting her acquaintance. We were neighbors first and will be friends forever. I will always feel blessed to have shared time and stories with Mrs. Poncet. She was so good at making me laugh (even when I wanted to cry) and keeping your interest when she was telling a story. She will be missed, but not forgotten. Rest in Peace, my friend. I will see you again some day. Much love always.....

I went to school with Lillian and will always have fond memories of Mrs. Poncet. She was always sweet when I visited to play with Lillian as children. I can still hear her voice. "Lillian!!!!!!" LOL Every time I think of her, it makes me smile. I know you all will miss her. God Bless her.

Please know my thoughts and prayers are with your family. I have such fond memories of Mrs. Esther living next door to my family on 24th Avenue. She would always have great aromas coming from her kitchen. She would holler out and want us to share her goodies. You were blessed to have your Mom in your lives for a long time. Give my love to all, Kathy Healy
