"Miss" Preble was my wonderful second grade teacher at Meraux back in the mid-sixties. I recall that she always wore her hair braided. She was sweet, kind and caring, and I've always thought of her as one of my favorite teachers. My sympathies to her family and friends.

My husband and I would like to express our deepest sympathy to the family and friends of your beloved Marie. At a similar time in lives we found much comfort in reading the scriptures, especially John 11:14-44, here is the experience of Jesus resurrecting Lazarus, here on earth, before the very eyes of those he loved. We can only imagine the tears of joy when we too, are reunited with our dear loved ones again. (John 5:28,29) Marie will surely be missed by many of those who's lives she shared. Remember the experiences you shared together and learn from them, hold them close to your hearts and cherish them. May you find comfort from the scriptures and those who surround you at this very difficult time. Our sincere condolences to all of you.
