Please except my Condolences for your loss of a loving Wife and a great mother to your children. Best Regards Patrick McDevitt Ken SR. You and your family are and will always be in my Heart. I do refer to you sometimes at work, with the reference that I worked for a very wise man and then impart some of the things/advise that you gave this thick headed Irishman. Most times a smile comes to my audience and they understand the point I'm trying to make. Thank you Pat
