My heart goes out to each and everyone of you, especially your Father. He will have the biggest hole in his heart. Your parents were an inspiration to me and many younger couples who were able to witness their undying love for each other. If my life is half as full as your Mother's was, I will feel blessed. Praying for all of you at this difficult time.

Mawmaw..... words can't even describe how I feel right now. I miss you so much. I am so thankful for the years I got to really get to know you. You are such an amazing person, and you uplifted and touched every single heart of any one you ever met. It is so beautiful the way you are. I only hope to be the person you were. I promise we will stick together and reminisce in all of our memories of you and share them with generations to come. My kids will know all about you just as I promised. There is one more Angel up in Heaven, and it couldn't be a better one than you. See you later. I love you to the moon and back.

Mrs Velma, I will never forget you. You took me into your family like I was one of your children. There is really no words that I can put down on paper that would describe how I felt about you. God put an amazing Lady on this earth to watch over her children and the children you inherited. You were an Angel sent here by God and now he needed you home again. I will miss you dearly.

Ms. Velma: From the time I first met you, I was so impressed at what a lovely person you were. You welcomed me into your home and treated me as one of your family. I feel very blessed to have met you and only wish that I had been able to spend more time with you before you passed. Heaven has indeed welcomed a very beautiful angel to its midst.

Our dearest Aunt Velma, you were and will always be such an inspiration to those of us you left behind. From the moment I entered the family, you embraced me with open arms. Selflessly you always had time for those of us needing advice. You shared your love unconditionally and never judged anyone. You saw the best in all and loved them as your own flesh and blood. We thank you for stepping in for our mother's. You will be missed more than anyone knows. Heaven has another angel watching over us. Jerry and I send our love and prayers to the entire Robichaux family.

My dear, sweet Mama - Nothing is the same here without you. I know you gave us a few days for tears and said that we will be ok....we just need to find that road to ok. God blessed us with the best wife and mother. Your grandchildren and great grandchildren were blessed to have a grandmother that was like their own mother. You took a piece of us all with you, but left the best part of you in our hearts. I love you forever, Mama.
