Helen and Mary, Helen I can't say that I know what you are going through but I can say that you will be in my prayers and just know that your sister is in a much better place. Mary, I don't know if you remember me but we went to school together at MJH. I can't say that I feel what you are feeling because I haven't been there either, but I do know that it has got to be hard. I will keep you and your family in my prayers at this time. God Bless!!!
