Roger was my cousin. I do not remember seeing him much. I am about 20 years younger. My mother was Vennie (Rogers) Hill his sister, and she passed away in 1995. My prayers are with the family at this time. It is never easy to lose someone you love.

Uncle Leon holds a very special place in my heart and always will be dear to me. I will never forget when I was little going on our adventures of picking up cans and recycling them together, or our having our cups of coffee in the late afternoon. Even though as I grew older I finally learned how to pronounce "Uncle Leon" I will always remember him as "Gonnann". The angels are very lucky to have him with them now and I look forward to seeing him in heaven. I love you all so very much!
