Dear Kelly,Gerald,Logan & Family: I give thanks for Juanita's life and the love she shared with so many family and friends. I am so thankful that I was blessed to meet her while she was feeling better and able to laugh and talk with me and other members of the family. Many people have expressed their love and respect for Juanita. Even though I knew her only briefly, I join them with my admiration and love. Call me if I can be of help. Love, Louis
