I am sincerely sorry to hear about Stacey. I worked with her when she was a student at Fontainebleau High in Mrs. Lowes Class. She was a joy to work with and I enjoyed just being in the room with her. She always put a smile on our faces and made the day brighter. Always remember the wonderful times you had with her and the joy she brought to everyone around her. My thoughts and prayers are with your family. Love, Cheryl Manuel

It is difficult to know what to say in a case like this. I was really sorry to hear of the loss of your daughter. I cannot imagine what you must be going through. I can only say that you and your family are in my prayers. It has been a long time since we have seen each other and talked, but I do think of you often. Again, all I can say is that I am really sorry.

Dear Miss Lynn, Sabrina, and all of Stacey's family and friends, I have only fond memories of growing up in and out of your house with Stacey. We all thought of as just another Saia sister, and she'll always have a special place in the legacy of her family's six daughters. I'll never forget her and am better today for spending time with her. You all are in my thoughts. Love, jodi
