My brother has been the best friend that you could ever ask for, to me and to sooo many others. His love for EVERYONE, old or young, rich or poor, good or bad, it did not matter...he genuinely cared about you. Always flashing that beautiful smile, and so eager to encourage us all the time. If you needed someone to talk to, he was ALWAYS there to listen. He was always there to make you laugh. He was, just, always there. And I know he always will be. I miss his friendship, his voice, his face... but I know I will see him again. Jude, there will never be a day that passes, that you are not thought of, loved and truly, truly missed. I thank God for the time he allowed us to have with you, and for the love you gave to everyone who ever crossed your path. And I thank you, Jude, for always being there for me, to love me, to listen to me and to be my most loyal friend. Love, your big sister

I see countless Christmas trees around the world below. With tiny lights, like heaven's stars reflecting on the snow. The sight is so spectacular, please wipe away that tear. For I'm spending Christmas with Jesus Christ this year. I hear the many Christmas songs that people hold so dear. But the sounds of music can't compare with the Christmas choir here. For I have no words to tell you the joy their voices bring. For it's beyond description to hear the angels sing. I know how much you miss me. I see the pain so clear. For I'm spending Christmas with Jesus Christ this year. I can't tell you of the splendor or the peace here in this place. Can you just imagine Christmas with our Savior, face to face? I'll ask Him to light your spirit as I tell Him of your love. So then pray for one another as you lift your eyes above. So please let your hearts be joyful and let your spirit sing. For I'm spending Christmas in Heaven and I'm walking with the King. Author Unknown

There will be no more sickness or crying or death for them in heaven. I feel you in everything that I do, and I know you're watching out for me. I miss you so much man. This world just isn't gonna be the same without you. But I'm gonna keep fighting cause that's what you would have wanted me to do. That's what you would have wanted all of us to do. If you were here right now, you would know just what to say to make everyone of us smile. After talking to several people last night the one thing that everyone said was "Jude always knew what to say to make you smile" And no matter what Man, You always supported me. You were my ROCK Jude. As I think back... the only journey we didn't take together was the NAVY. But you were always my biggest supporter. And that's why I give you this (whatever you call it) to take with you on your next adventure. You may not have been in the military with me, but You were MY Solider JUDE. I love you , I miss you and until I see you again... Rest In Peace.
