We are so sorry for your loss. We know from recent personal experience how difficult a time this is, but we pray that God will give you all strength and comfort to know in your hearts that He is with you now. It is natural and human to grieve, but our Lord is there with us to hold us and pick us up afterward and help us heal. Please don't forget that we love you all very much and we are here for anything you may need no matter what it may be. May peace and love be with you all. Love, Pat and Pam
