Mrs. Schindler was such a patient and kind piano teacher. Our daughters remember her so fondly and still love piano today because of her special gift of being able to pass on her knowledge of music in a unique way to each child.

Please accept our deepest sympathy. We only know Heidi, her granddaughter, from working with her on staff at Cursillo #124. Heidi is such a wonderful person, that we feel her grammy must have been a great person and a great influence in Heidi's life.
