Anna, Brenda, Diane, and family, I was very saddened by the news of the passing of your mother. As I grow old, I hold many kind and thoughtful memories of her in my heart. I always admired her strength and strong will as a parent, to raise six children alone. Her strong courage and devotion made her a wonderful mother and an exceptional grandmother. Her kindness has touched my family in many, many, ways. She will be always be remembered in my prayers and holds a special place in my heart!
May God Bless: Judy and Family

Maw Maw you will always be my sunshine forever and ever. All your little words and sayings will be passed on such as, "a bushel and a peck and a hug around your neck," I will bless Sabella with all the little songs and sayings you blessed me with and that I will cherish for an eternity. And I promise to always sing to Sabella and Samantha the song you taught to me that your dad played for you. LOVE YOU ALL THE WORLD, Harold Lee, Samantha, and Sabella
