My deepest sympathies to John and the rest of the family. Through the years I only got to see Aunt Helena a few times, but I remember her with great fondness as someone with a wonderful sense of humor and a fun-loving spirit. Dad told me that as children, he used to taunt Helena by calling her " Hunk Skin" ( he didn't know why he called her that). I'm sure he's teasing her once again! All my love, Kim
