Boogie; You have mine and Alices uttermost sympathy for the loss of Judy. I will remember that great, kind smile she seemed to always display. Her kindness was beyond approach, and she certainly had a quality missing in so many women. That of being a true car (racecar) buff, always at your side through thick and thin. Please do not hesitate to call on me if you need anything or just want the company of a long-standing friend and admirer of both you and Judy. Douglas Batson, (& Alice)
