My deepest sympathies to everyone in Joseph's family...My heart breaks for you all. Aunt Jean and Aunt Rachel have forwarded the e-mail reports to all the family and I have followed Joseph's journey with each one, and prayed over them for this precious child. The outcome wasn't what so many prayed for, but our Lord has a plan for us all and though we don't always agree or understand, we must have faith that it is for the best. Joseph has shown countless people what true courage and bravery is...and joy in Lord through good and bad. I know he touched my heart deeply and I will always think of him and his sweet smile in dark times...it will be my strength to forge on. May God bless you and lift you up and embrace you in His love and carry through this time of sadness.
