Aunt Pam First of all I love you and wish I could hug you one more time. I am glad I got to spend time with you at Paul and Danielle's wedding, who knew that would be the last time?? It makes me sad, but I remember the tremendous smile on your face that day, moments like that are hard to miss. I think My dad was tired of singing alone up there in heaven and needed your beautiful voice to join him. I hope the two of you are watching down on us everyday. Your smile and courageous spirit will be missed but will continue to live in all of us!!! We love you and I know I will see you again someday!! Kisses until then. Love Leslie Lally Binder
