For i say, through grace given unto me, to every man that is among you, not to think of himself more highly than he ought to think... Sam was a big "Man" with a "Big Heart". Of all the things I had learned about "The Man", I knew he had a "Big Heart", and he gave all that one could give. I will truly miss my co-worker, friend, but the Great Architect needs him to light the heavens in HIS House...Well done, good and faithful servant, WELL DONE!

I can remember like yesterday him coming to pick me up to spend the weekend with him and Nanny!!! He would always call me nanny baby and spend hours joking and talking on our rides to Slidell!!! I miss him dearly and I enjoyed every minute I had with him and I will miss him very much!!! Like they say nobody is promised tomorrow and I just wish I had more time to spend with him rather than childhood memories!!!!
