Hey Papa I am going to truly miss you, I'm not really sure who I will call while I'm out of town working and give my update to any more. It made me feel so good when you would tell me how proud you were of me, but I have never got to tell you how proud I am to have had you in my life. I will try to hold my own up as best as I can as a Smith to pass our name on in well standings. You were truly the best grandfather a man could have had love you always Keep us safe I know you will be watching over us. Thanks for everything love Dustin.
