I have known Dan since elementary school. Our parents were friends and our families were connected in so many ways. We moved to New Jersey in 1970 and like many people the families drifted apart. Miles do that to people. I was so happy to find Dan again a couple of years ago on Facebook. And we were able to get our parents reconnected. I am so thankful that I was able to find my friend again. And so saddened to hear of his passing. This picture has been in my jewelry box since 1966. And on the back in a 12 year old girls handwriting....I like Danny Standley. He was always a good friend. My deepest condolences to his wife Debbie and his family.

My Condolences to the Stanley family for their lost. I met Dan in 1978 at a racquetball club. He went on to be The State Champion in singles as well as doubles in The Louisiana Racquetball Association (LRA). He was known as "Dan the Man". His Motto was "Just Go for it, Go all the way or don't go at all". Outside the racquetball club he was the party animal from Texas that got everybody in the mood to have a good time. I can't remember him talking bad about anyone or anyone talking bad about him. That is the "Dan the man" Stanley I will remember and I hope everyone else does too.

Our Children grew up together next door Caroline and Troy Jr. One of Dan's favorite thing with the kids was to go get snow balls and ride bikes, camp fires in the back yard and lets not forget the safety lessons so many fond memories we have to hold, love and cherish. Thank You Dan.He was like a second Father to my Son, who admired him being so adventures, so unique he had us all quessing and laughing all the time.Dan and I shared many landscaping tips, and then I showed him Mine!
