Son, you can't imagine how much I miss you and wish I could see your precious face and hug you right now. It hurts more than I ever thought I could bare. But by God's grace and the love of others, we are getting through this. I also see so many others who miss you dearly and have heavy hearts. It doesn't surprise me to see how many people love you because I am one of your admirers. I can't wait to see you one day soon son. Until that day I will have you in my heart and mind 24/7. Love you always, Mom
