Although I only met Dave a few times, when in his presence, he made you feel welcome. Shortly after learning of his passing, I got the distinct feeling that he will still be roaming around Pollyanna, keeping watch. Ms. Shirley, please know that Dave will be greatly missed.

Shirley, I am so sorry for your loss. I know there are no words to explain this, nor any that will seem to take the pain away. We will pray for you and I know you will be comforted with time, and hold on to all the wonderful memories of you and Dave. I hate we have not been in contact and that such a tragedy brought our paths to cross. You were a integral part of my professional maturation, and I think of the time we worked together fondly and often. Our deepest sympathies. -Todd Ross
