I would really like for this to get to her classmates at ULM. Please send Dennis Trosclair a message on facebook if you are a classmate and would like to help with this fundraiser. It does not matter where you live. This is not an event you go to. Just go to the website listed. Make a purchase and the product will be delivered to your door. 100% of profits will go directly to the Suhre family. Thank you.

I had the pleasure of being Ashley's friend and pharmacy manager at Walgreens in Bastrop. She was always a pleasure to be around. I started working with her when she first started pharmacy school. I remember how nervous she was during that first few months. I was so proud of her when I spoke to her a few weeks ago. I knew she was special from the first time I met her. we never know why God chooses to bring some home at such a young age, but I do know heaven is a happier place with her in it. I wish that I could be there for her services but unfortunately I have to work. Please know that my prayers are with you at this time. Jay-we are praying for you. please take care of yourself!

I would like to share a poem that reminded me of my cousin Ashley. I hope it will bring some comfort to all her family, friends, and loved ones. Do not stand at my grave and weep I am not there; I do not sleep. I am a thousand winds that blow, I am the diamond glints on snow, I am the sun on ripened grain, I am the gentle autumn rain. When you awaken in the morning's hush I am the swift uplifting rush Of quiet birds in circled flight. I am the soft stars that shine at night. Do not stand at my grave and cry, I am not there; I did not die. - Mary Elizabeth Frye
