Like many others I too will miss George. We had talked recently about playing golf, eating out and all the many other things retired guys are supposed to do. And, even though we did not do it all we sure enjoyed the conversations and I am grateful for the those times. To all of you who knew George you know that he was a special friend. One who had many if not all of the virtues you look for in friends. He will be missed. Goodbye George and may you know that Kelly and your family are in my prayers.

Was shocked by this news. I think fondly of the struggles in Horscham back in 1992-3 getting that Center off the ground. George and I had a memorable time even if Farrell and Winton didn't think so ...at the time! My prayers to Kelly and family. Dennis

Please accept my condolences. I have always enjoyed visiting with you both during treatment. Even after completing my treatment, I always thought about you both. It was a joy to see him the night of the gala. He was always positive and kind. I know that he is no longer suffering and that we all have an angel above looking out for everyone he touched. Thank you George for everything-you will be missed.
