Our sincerest sympathies to the family of Kevin C. Tassin in the loss of their brother, father, husband, son, and friend. We met Kevin at his neice's wedding. We know how much he was loved by his brother Nelson, and all of his family - and know that our words cannot convey the sorrow we feel, or the comfort that is needed in a time like this - just know that our thoughts and prayers are with you, and we are so very sorry for your loss. I know that I'm a better person for knowing him..for loving him. My heart is broken, but I know in time it will get better. Someone once told me that there is a river that flows by the thrown of God..I believe it's waters are the tears that we cry for someone we love..as we speak my tears over flow that river. Yahleen, thankyou for loving my friend the way you did..you gave him so much happiness. Mom and Pop..I love you both very much..I thank God for you both and thank God that Kevin was born..he was a great person..a good man. On a more personal note..Kevin, I will forever hold you close to my heart..rest in peace my brother until I see you again..much love and respect..your sister, Rhonda

I moved to Mandeville 12 years ago from Cali. I have been telling the story of how I met Kevin ever since. Kevin was this first person I met here. He assisted Marty and I with replacing an engine in a truck. When the truck was finished Kevin called and said it was ready. I had no way to get to him on this Friday evening. He said "don't worry about it, I'll leave the keys under the mat, you can pay me on Monday". I was amazed and touched at his kindness. He made me feel like Mandeville was a special and great place to live. That was the beginning our friendship with Kevin. I know whenever I eat Jambalya or boiled crawfish I will think of him. I will truly miss him.
