Joe and Chuck Germany had the best birthday party ever a couple of weeks ago because Wayne set up his equipment and made their birthday a day they would never forget! We will remember great memories of him that night. Wayne loved his passion for singing and everyone had so much fun singing with him. His company was enjoyed by all! He touched our family in more ways than one. Joe thought the world of him and will miss him dearly. God bless you and remember all the good memories of him and keep these dear to your hearts forever!
