Coach, We know your journey was a long and difficult one. You must have been surprised to be met at Heaven's Gates by a reception committee of Covington High Alumni, family, friends, the Angles, and the Good Lord. How wonderful the arrival party must have been!! Your family and friends celebrated your Memorial Services on Earth. We will miss you very much! I am sorry for the loss of your loved one Tina.Tina was one of the great smiles that greeted me at "SLC" in '65,She was so cool, and fun, and had a great wardrobe of madras, and pink, and matching headbands and,most of all, caring ways, and she proved to be a wanderful friend in those crazy college years.I always have loved to see her smile here in St. Tammany, as we experienced adult life. She will be missed.

Tina was a big part of a small group of women who got together on Sat. mornings. We became friends and she was very special to us all. I came to know her as a very caring and loving woman. And she loved animals as much as people. I am grateful for the short time she was in my life and I learned a lot from her. She will be deeply missed by her women's group.

Ms. Trygg was my PE teacher while I was a student at CHS. She was a very nice, polite, and caring person to her students. I never did thank her for letting me off many many times for not dressing out. May you be granted eternal peace, Ms. Trygg!!!!
