Pat was a very special person and had a huge heart as a hospice nurse. She was one of the best hospice nurses I've ever encountered in all my years. She made us laugh, cry and laugh till we cried. It was a joy knowing her and being a part of her life. She will be missed dearly. May Jimmy and the rest of her family find peace in knowing that she will suffer no more and is now in the hands of God. To her Grandchildren and great grandchild, she adored each and every one of you and you all were all she spoke of and proudly. May God bless you all.
