To the Ulfers family: I never knew Angelle personally but from what I have heard and seen, she was a beautiful young woman, loved by so many people, and had a bright future ahead. My thoughts and prayers are with your family during this time of tragedy, I can only hope for the pain to ease for you all, simply by knowing that she is loved and missed by everyone whose hearts she has touched. She will be forever looking down on you all. God bless Angelle, her family and friends, and her SSA sisters. As a graduate of SSA I realize the importance of sisterhood and think that it is beautiful to see how she has truly impacted and united the girls at her school, may Angelle Rest in Peace.
