Tony worked for me at Deep South Investigations for close to 13 years. He and I were a great team conducting surveillance and various investigations together. We had a great time working together with numerous untold stories. I can't tell everyone enough at how exceptional and knowledgeable he was at his job! In July of this year he left Deep South due to his health and I just found out that he passed. He loved to fish, play golf and enjoyed social activities. I will also let April know that he was very proud of you! Tony, all of us who had the opportunity to know and work with you will miss you dearly. Good bye friend.

Heartfelt condolences to friends and family of Tony at this most difficult time. In a crowded gathering, one didn't have to turn and around and look to know that Tony had entered the room. His sense of humor, beaming smile and the sheer glow of his gentle spirit illuminated all around Tony wherever he went, wherever he stood, wherever he had been. I remember playing golf in high school with Tony and my brother and I couldn't hold a grip on the club because those two had me doubled over in laughter. Tony was everyone's friend, we will surely miss him. May the lord give Tony's family courage and strength to come through this sad and tough time.
