I am so, so saddened by Betty's unexpected passing. She was a lifelong friend. Over the past few days, I have thought many times about growing up with Betty and my brothers, Ken and Brad. Many fun times. Betty would often playfully tease me as a kid. After coming back to Covington to practice law, she continued to tease me in the courtroom with that same infectious, playful grin as years before. I will miss that. I will certainly miss her. My sincerest condolences to her family. You are in my prayers.

I was very sorry to hear about Betty's passing. She was always so positive and always managed to put a smile on our faces - something not easily accomplished since she was present when we, the lawyers, were often at each other's throats. I'll miss her and she'll always be remembered fondly.

I had the pleasure of having Betty be my court reporter during more depositions than I care to count for more years than I care to admit to. She lit up the room with her larger than life personality. Yet she was always professional and my friend. The courthouse and the legal community will not be the same without her. My sympathy to all of you who lost a loved one. God Bless and comfort you during this difficult time. Mary Ann Bossetta Goodman

Debbie and I are extremely saddened and dismayed at Pita's untimely passing. She was always such a vibrant and lively person. She was professionally second to none and was an extremely hard working court reporter. Debbie and I, and all the court "people" will miss her terribly----personally and professionally. Please know that our thoughts and prayers are with you. I tried many heated and tense criminal trials with her as the reporter and she never failed to lift my spirits and relieve the tension of the trial at just the right moment. Her passing is a great loss to us all. Lewis and Debbie Murray

She had a unique personality that could make you laugh AND BLUSH in an instant. You were great fun working with at the courthouse. You will be dearly missed PITA. God Bless You, Sincerely, Dena Lopez

Dear Boys, I am so very sorry you have lost your mother. You have my deepest empathy, for I lost my mother when I was nine. Your mom thought I didn't like her, but that was not true. In fact, I admired her for her hard work ethic & for all she tried to do for each of you. If I can be of any help, please let me know. Take care, Jill K. (your neighbor)
