Kendall Reed Vincent (KV) was called home on Saturday, April 9, 2011 at 2:30 AM with his wife and daughter by his side to support him on his journey after a 6 month brave approach to a new life that was given to him by our ultimate Father. He lived life to its maximum without any fears.

He was a son, brother, husband, father and uncle. His accomplishments were as a Ferrier and Pilot. As a pilot he was able to contribute to society flying medics and their patients in need.

Kendall is survived by his soul mate Maria Frederick (Fred) Vincent and his cherished daughter Kaley Maria Vincent at the innocent age of 10. He is also survived by his parents Deloris and William Mitchell; Ross and Judy Vincent. Several siblings: Roxana Giarrusso, Alton Mitchell, Dawn Leone, Brent, Chad, and Jared Vincent, William Mitchell II, Lauren Mitchell McCullers and Cristen Mitchell; nieces: Monique, Camille, and Anna Giarrusso, Amanda, Sarah, Emily, and Iris Yve Jenkins, and several other family members.

Age 48 years. A native of Shreveport, LA and a resident of Abita Springs, LA. Relatives and friends of the family are invited to attend the funeral service at Waldheim United Methodist Church, 77067 Hwy 21, Covington, LA 70435 (Waldheim) on Saturday, April 16, 2011 at 1:00 PM.

Visitation will begin at 12:00 PM until service time and a fellowship time will follow the service in the church Fellowship Hall.

Dale told me so many stories about Kendall that I feel that I knew him. He sounds like someone who was unafraid of life and took it on with gusto! Our sympathy goes out to the entire family. We had the honor to attend the celebration of his memory. I saw the love that he had for his daughter in the pictures that were displayed. That love just came through, even in photos! We know how much he will be missed just by meeting so many folks from so many diverse areas. He just touched so many hearts and lives.

I was deeply saddened by the news of Kendall's passing. I have such good childhood memories of our times together when he and Roxie would visit their grandparents during summers in Forked Island. Unfortunately, life at times separates us from those we love and we never reconnected as adults. I wish that could have been different and I would have had to opportunity to know Kendall as a family man. My deepest sympathy. May God bless and comfort all who are hurting by his loss.

I knew Kendall for only the past couple of years, but feel that I lost a good friend and much more. I cannot begin to explain how safe I felt every time I climbed into the helicopter with Kendall. Kendall was a great guy, a good friend and a truly remarkable pilot. I always trusted him to get us back safely no matter what the situation was. Even though we only really knew each other as friends at work, I will miss him a great deal.

I haven't seen Kendall for a while, but I met him back when he had first gotten started with his own helicopter. I admired him for if nothing else, he made what he wanted to happen himself, the hard way. He gave rides, cropdusted, whatever he had to do until he got a break. I'm sure he will be missed by many.
