Aunt Sharon, Ronnie, Lauren, Jeanne sorry 4 your loss. All of yall have been through such a trying and difficult few yrs. I hate to see yall go through anything else. Aunt Sharon, Buddy was lucky to have u take care of him the past few yrs since his brother passed. I remember how Buddy always would like to sit with me and talk. At every family get together he would always find any family member who was alone and come over 4 a little chat. He served his country and came home to a country that did not show him the respect he deserved. But now whoever reads this should say a THANK YOU to Buddy for his service to his country. THANK YOU Buddy and may u be at peace.

Buddy's Family, We are very sorry for your loss. Buddy was a very dependable employee & its going to be impossible to replace him!He never missed a days work,he came to work & complain but he still came in.If he was late,he always called in & before 8am.You don't find an employee who gets to work at 6am when our time is 8am.He opened the building,got the vehicles out & was ready to deliver before anyone else got to work.He went to the post office and picked up the mail before we got to work. He had a set time,1pm,to bring the deposit to the bank & if we were running late,he would start pacing,because we were making him late for his evening deliveries. We already miss him,its strange to see the Engine Parts truck just sitting in our lot,not moving.Then their's our weather report,Buddy could tell you if it was going to rain by the way his bones felt or his sinus were. How the humidity,barometer,sun & moon worked.He was also the last to leave at 5pm.I think he sat in his truck until the last person pulled out of the parking lot before he pulled out.He would go to Rite-Aid everyday when he got off work to pickup his 2 pks. of cigarettes.I bet him lunch,that he couldn't eat this hugh seafood platter at our company dinner at Copeland's & guess what I bought him lunch the next day!Buddy will be missed but never forgotten!May he rest in peace.
