Marcel will be truly missed. It seems like yesterday that he was in my office telling me about the good 'ole days in Covington...way back when.... There will never be another Marcel or anyone like him. He was a very special person and extremely well liked & respected throughout the homebuilding industry. My thoughts and prayers are with him and his family. God Bless.

I had the pleasure of working with Marcel at Hill-Behan for several years. He was a character, and always came in with a smile on his face. He loved talking with everyone, and enjoyed getting to know his customers on a personal level. My condolences go out to Marcel's family and friends during this difficult time.

I just keep thinking of the last time he was at my house...he told me that my front door was a great solid wood door. I didn't like it and I wanted to get rid of it and get a new one. Now I like my door because of Uncle Marcel. He was a great man. He is no longer suffering. Our thoughts and prayers are with all of you. All our love, Doug and Stacy
