Oh Marie, with the snow storm, lack of electricity, and crazy schedule, I was unable to make the service, and I am SO SORRY! I'd even dressed at work, in the event I could make it. I love you and Jim immensely and admire the love you two shared. I admire you for your strength in caring for him the past few years (which was a lifetime to you) and also the patience you had with him as he began to deteriorate. He was an ANGEL to your family, and well loved in this community. You and I will have to sit down at lunch, and 'JUST LIVE', for it is what JIM would want you to be doing! You are a wonderful, spiritual, loving individual and you have earned your wings and your steps to HEAVEN! You are dear to me, and I pray for you nightly with my girls. GOD DOES NOT SLEEP, and HE is working overtime lately! We love you, Lisa Marie, Gabrielle and Rebekah Nave

He will always be remembered as you share the stories and the memories of how he lived his life and how very much he meant, may you find comfort...And, throughout this difficult time, may you also know the deep sympathy and concern that is felt for you and all your family. Even though words can't take away the sorrow that you're feeling. I hope you find serenity in knowing that your care, love and courage have meant so much to the one you love. And that somehow in some small way, that makes a difference and bring you peace....All those sleeping in their graves will wake up and sing for joy. As the sparkling dew refreshes the earth, so the Lord will revive those who have long been dead."-Isa. 26:19.
