Dear Bob: We are so sorry to hear such sad news, we were hoping Donna would beat this sickness again. We always felt a special bond with Donna since she came to spend time with us when she was just 16 years old. (She was beautiful even then) We will miss the times you both came to New York, but will always remember them with a special fondness. Donna was always special to us and although we won't see her here, she will always be with us in spirit. God Bless you and your family.....Love Phyllis and Nick PS. We hope you and the girls will continue to keep in touch with us.
