My heart felt condolences to you Uncle Herbert and the entire family. When I think of Aunt Betty, I remember the snow globes the most. She would let me shake them and play the music. Her term of endearment for us kids always made me laugh because of what it was. I am saddened by the passing of Aunt Betty, but I will remember her forever. My thoughts and prayers to you and your family. Love, Catherine

Although we mourn her loss, we can celebrate her life too. She was such a fun and loving person. May you be reminded of how many lives she has touched throughout her years here on earth. I will never forget my Aunt Betty, I loved her with all of my heart. It was very hard to hear of her passing, and I still am not through crying. Aunt Betty meant a lot of things to many different people. Even though she is no longer here with us, we can reach out to each other during this time of sorrow and fill that empty space with each other's love. However you choose to remember Betty, never forget how extraordinary of a person she was. She was more than my Aunt; she was a friend, who will be deeply missed.

Uncle Herbert, I love you and Aunt Betty very much! You both are very dear to my heart. I loved Aunt Betty's candor :) I loved how you all accepted us and loved us when other people didn't. I still remember you all blaring me singing Sandi Patti from your antique car. I also remember the special chauffeur ride you all gave Scott and I on our wedding day. I loved Aunt Betty and I love you, Uncle Herbert!! Love to the whole family. Hugs, Christi, Scott, Katie and Matthew
