We are tremendously saddened to hear of Keith's death and find it hard to believe that he has gone from us at such a young age. Since we met in the 1990s when he and Neil worked for ODS we shared many, many years of fun-packed ski holidays with him in Europe and in the USA. We have lost a dear friend in Keith and offer our heartfelt sympathy and thoughts to all the family. Ruth and Neil

Lois and Jimmie, it is hard to believe that I haven't seen you in nearly twenty years... those bible studies at my mom's house. I live in that house now. I'm not sure if you realized I knew Keith in high school. Carla, too. I remember Keith and his car. Fond memories...! We graduated together in 1974. For him to leave us so soon... that is so difficult. You have my heart and prayers. Most sincerely, Patti Daigle-Brown

I was saddened to learn that Keith is no longer with us. I taught him in the fifth grade. It is hard for me to believe he was 56! Keith was always so proud of his family. I remember him speaking proudly about them with a "springy" cock of his head to the side. 88I will remember him and all of you in my prayers. Judy Greene

We never knew we would be step-siblings...the cute, sweet, boy that I competed with at Covington Elementary school for the better grades. Keith was my escort for Music class dance in 6th grade Jr. High and was gentleman enough to not laugh at my treble clef headpiece as he led me around the gymnasium floor. He was my childhood memory and friend.

Some friends were at Razoos in Dallas and met Keith and Mr. Bill, gosh, some 15+ yrs ago. We all hit it off from the beginning, especially that Keith and I are from the Great State of Louisiana! We spent most weekends on the lake skiing or watching the Saints play on Sundays. Keith would blow us away skiing barefoot! He was such a genuine, kind person. Keith, we will all get together at Razoos and have a Petron shot in your memory! Love you always, Cathy.

I hired in to the E-Systems company on January 4th, 1984 and met Keith during new hire orientation. We spent a lot of time since then eating, drinking, water skiing and generally being merry. I wish I could hear that silly toast about lace and string one more time even though it got old at times. Rest in Peace my man, Rest in Peace!
