I am truly sorry for the loss and passing of such a wonderful man! Every time Gene got the chance, he was telling myself and others how much he loved us, with a kiss on the forehead. He will truly be missed. I may no longer be a part of the Oscar Bar. But, once you've encountered Gene, he left a permanent impression on your heart. To his loving family, no words can express my deepest sympathies. I will keep you in my prayers, through this sorrowful time. May Gene rest in the Heavens with the angels above.... He showed the true meaning of living life to the fullest. Love you always...~Shiala Baldwin

Gene will always be in the memories of all of his cousins. He was loved by all of us and especially by his Grand Daddy, Grand Mama King and by my Daddy, which he was named Eugene after (even if he did not like Eugene and wanted to be called Gene). I feeling so sad to know I will not heard his voice again except in my mine. I will miss him.
