I am so sorry and shocked to hear of Madeline's passing. We visited together a month ago on a Friday, shared lunch, and celebrated with the Trace staff during their lively Saints pep-rally. Madeline was gracious as always and a delight to converse with. She will be sorely missed. Deepest sympathies to all family members..may you find peace and hold to good memories. Dear George and Family, I was so sorry to hear of Madeline's death. She was such a loving, caring, and giving person. She was always there for loved ones, neighbors, or anyone that needed her help. She was specially helpful to me when my father was in his last days. I will be eternally grateful for her support. I saw her sometime ago at STPH Outpatient Unit. There she sat with her portable oxygen and a big smile and ready to give you a big hug. She spoke of how happy she was in the new living center. Her comment was, "No more housework, three good meals a day, lots of activities to enjoy, what more could anyone ask for? Madeline also touched my life in another special way. She was my first piano teacher and created the love of piano music which I enjoy today. My thoughts and prayers are with you and your family. With deepest sympathy, Martelle Nunes
