I didn't get to know this sweet young girl. But as a student at Monteleone I see her pretty pictures that hang in the gym and her sport jersey's. I can tell she was amazing and looking at her she seems very brave. Our current principle Mrs. wescott talks about teaching Jaycee and how amazing she was and the joy she brought to all the teachers and students. She is missed very much and I can say still has a great impact on our school we love her.

I was in the 6th grade at mandeville middle the year Jaycee passed away. I didn't know her, but all I know is that day the field trip to monteleone was cancelled the day she passed. It broke my heart to hear the news. Everyone was so supportive , drawing Purple Hearts on the hands and the initials JC. We went on the trip and saw the gazebo the 8th graders made for her. I'm now 14, and in 8th grade. It's heartbreaking to realize she was my age when she died.... rest in peace Jaycee. Your misses so much

Kim, please know that you and your family are in my prayers - May God give you strength as days go by. Even though I haven't seen Jaycee since she was about 4 years old I felt honored to be at your baby shower for Jaycee-- Watching Mr. Wilson carrying her on his shoulders. I still have a picture of Jaycee in front of your mom's house stomping in a mud puddle with a great big smile on her face. Be brave be strong. Even though Jaycee is not with you now, please remember, she will always be safe and sound in your heart.

I did not know Jaycee, but know many children that did and can see the wonderful impact her life made on those around her. Although the brilliant light of her life on Earth has passed, I pray that those who love her find comfort in knowing that you will see her again one day. Praying that our Lord wrap His loving arms around Jaycee's mother, family and friends and grant them a divine peace despite such profound loss, and find comfort in knowing that Jaycee is with our Heavenly Father, in Paradise.

Our prayers go out to Kim and all of Jaycee's friends and family. My daughter and I met Jaycee on the Pelican Park cheer team a few years back. Everytime I've seen her since then she was full energy and always smiling! It seems she has touched so many lives. She is definitely "famous for being herself". She will continue to be an inspiration to those left behind.
