Dear June -- My deepest sympathy goes to you and your family in the passing of your sister. You taught me piano lessons in the late 50's and early 60's. I guess when you're young you don't appreciate people, but wanted to let you know how great a teacher I thought you were -- also a beautiful person. Sydney Baehr Buchanan

I am deeply saddened by Diane's passing. I knew her very well in high school, as we sat side by side in the orchestra for years. We both played in the all-state orchestra and rode together on the bus trip. She was a charming person with a subtle sense of humor, a lot of fun. Although I hadn't seen her since high school, I often thought of her. She was special, and I loved her.

Diane--all of my memories of Diane are fond ones. As a young girl, I loved being around her; she was always FUN--smiling, laughing, interested, generous, and beautiful. As I got older I didn't see her as often; but, when I did, she was just the same--a pure delight and joy to be around. I think she made a real difference in this world and I know she will be greatly missed.
