A great skimboarder in his youth. I have requested that a Tridentine (Traditional) Mass be offered for his soul. The date is not yet set. I have asked all the Saints Michael and his Church Triumphant and Church Suffering ancestors and relatives to intercede for him, and asked him to intercede for Priests for Life.

Mike meant the world to me! He and I worked together well on his crew and as Father-in-law & Son--in-law. Although Michelle and I did not remain married, I feel we ALL remained family. I learned a lot from Mike and i will carry what he taught me throughout the remainder of my life. He will be greatly missed. Barbara and I are keeping the family in prayer.

Mr. McGill, even though I didn't know you that well, I will never forget the few days many years ago (it had to be somewhere around 1995-96) I spent with you on-site while building a house. I was amazed at what you knew and how quickly you moved. I specifically remember you pulling me aside to explain a little bit of how you were making your calculations and all I could do was just nod my head even though I barely understood what you were saying. Thanks for pulling me aside and showing interest in me for something that could help me later in life. I wont forget it!My thoughts and prayers will be with your family.
